Dear Sir,

The above referred "Letter of Acceptance" has been received and accepted by you. The above job is awarded to you on the terms & conditions stipulated in the tender documents subject to the following conditions:

1. Your offered rate @8.9 % (Eight point Nine percent) below than the rates as shown in the specific price schedule of work (B.O.Q.) has been accepted by us on the terms and conditions of the tender documents.
2. Your offer shall include all necessary pre work like site survey, cleaning of sites, fixing the route alignment, arranging for safe storage of all materials ( ERW pipes, coating/wrapping materials etc.) and all other preliminary work needed for carrying out the original job.
3. You have to plan & execute your activities according to the availability of site, instruction of site Engineer/ E.I.C. and tender conditions.
4. All safety measures shall be taken by you during the course of work in respect of both the pipe lines and the workmen/personnel etc. and you will provide all the safety arrangements for your workers at the site and GCGSCL will not be responsible for any accident ,if any,of your workers during the execution of the job.

-2-

5. Exclusively at your cost and risk you will have to rectify/redo any defect, if found during the progress of your work or occurred at any stage during the retention period of security deposit.
6. The completion time for the entire job in all respect is **maximum 20 days** from the date of issue of this work order.
7. This work order will constitute a part of the contract agreement to be entered with you for this work.
8. Your security deposit shall be retained with GCGSCL for a period of **18 (Eighteen) months** from the date of completion of the job. The security deposit shall be released as per terms and conditions of the contract.
9. You shall have to abide by all the Govt. rules & regulations and the rules and guide lines framed by GCGSCL from time to time as may be applicable to this work.
10. All precaution should be taken during taking up the job to avoid damage of other utilities like water/Electricity/Telephone/Sewer Service lines of nearby premises. If any damage takes place, it has to be repaired immediately at your own cost.
11. The length of laying of pipe line may vary on either side depending on the actual condition of the site.
12. Drawing:  
You have to submit the completion drawing as per guide line of GCGSCL in triplicate along with the original tracing duly approved by the concerned Deputy Manager after completion of the job and before preparing the final bill.
13. You are also advised to comply with the following:
  - i) To submit the document of labour license issued by the Labour Department, Govt. of W.B. under contract and labour (Regulation and Abolition) Act. – 1970 and W.B. Contract Labour Abolition and Regulation Rules 1970 and time to time amendment thereof.
  - ii) Execution of an agreement with GCGSCL on the prescribed format on a non judicial stamp paper (value Rs. 10/- or above) within seven days from the date of receipt of this work order.  
This agreement shall accompany with tender documents in triplicate which shall be available from this office on payment of Rs. 100/- only per set.
  - iii) To get your establishment registered under the Building and other Construction Works (BOCW) Act, 1996 and Building and other Construction Workers Welfare Cess Act 1996 and Rules framed thereunder and submit the relevant documents thereof.
14. You are required to carry out all the work in consultation with and as per direction of our Deputy Manager (Technical) being the Engineer-in-charge for the job.
